

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MAY 26, 2009

The National Affordable Housing Act of 1990, as amended in 1992, requires that the County of Los Angeles provide a single, consolidated submission of the proposed expenditure of funds to be eligible for U.S. Department of Housing and Urban Development formula grant funding, including Community Development Grant (CDBG) funds, HOME Partnership funds, and Emergency Shelter Grant (ESG) funds. The Action Plan satisfies these requirements to provide for the release of funds for the forthcoming Fiscal Year 2009-2010.

The Alta/Pasa Community Improvement Center Handyworker Program (Project No. 601121) provides minor home repairs and rehabilitation services to eligible low- and moderate-income households in the Altadena area. Initially funded with \$197,500 in CDBG funds for Fiscal Year 2009-2010, the CDBG allocation should be increased to \$212,000 as part of efforts to increase funding to agencies that provide handyworker services in the Fifth District.

I, THEREFORE, MOVE that the Board Acting as the Commissioners of the Community Development Commission, amend the Action Plan to increase the allocated Community Development Block Grant funding of the Alta/Pasa Community Improvement Center Handyworker Program from \$197,500 to \$212,000 for Fiscal Year 2009-2010.
